- Server management and maintenance.

RESEARCH EXPERIENCE

Honours+ Student (Excellence programme)

2018-2019

Maastricht University EDLAB, Maastricht, The Netherlands

- Interdisciplinary research group formed by students of Data Science, European Law, Dutch Law, European Studies and Economics.
- Supervised by Dr. Eliyahu V. Sapir, Assistant Professor in Social Science Research Methods.
- Organized for the study entitled “Young voters of EU”, which aimed to understand the disconnection between the youth and European politics and to offer plausible solutions.

AWARDED GRANTS

Honours+ Challenge Research Grant

2019

Maastricht University EDLAB, Maastricht, The Netherlands

Amount: 500 €

Awarded for winning the Honours+ Challenge for the category “Europe & Globalizing World” thanks to the study “Young voters of EU”.

EXTRACURRICULAR ACTIVITIES

Musician

2019-Present

Los Calabazas, Maastricht, The Netherlands

- Los Calabazas is a young music band formed in Maastricht.
- I play bass, guitar and backup vocals.

Active member of study association

2019-2020

MSV Incognito, Maastricht, The Netherlands

- Poster design for student events.
- Yearbook design for our university department.

Graphic Designer

2018-2020

TENDA Grup, Valencia, Spain

- TENDA is a music band formed by 4 friends of mine.
- I was in charge of making their logos, banners, posters and concert tickets, which allows me to work remotely.
